LabManager@24hrUrine.com

Dear MRL Client:

Welcome to MRL! MRL continues to be committed to providing laboratory services and has done so for over 40 years. We provide many popular laboratory services such as urine and blood analysis and are constantly adding new services to better serve our clients and their patients. Not only do we provide a variety of laboratory services to healthcare providers throughout the United States, but we also offer many preventive health services.

MRL remodeled its facility in the last five years. This rejuvenation allowed us to give the lab a fresh, clean look as well as accommodate for numerous new pieces of equipment that will allow us to provide more timely and accurate test results. This is extremely beneficial to our clients, as the more tests done in house, the lower our costs will be to our clients. We understand that given the current economic climate, many businesses have had to increase prices to cover costs. We are extremely pleased to inform our clients that we are striving to reduce our in house costs; cost reductions allow us to pass the savings on to our clients. We continuously seek to provide low cost laboratory services in an expeditious manner without compromising customer service.

For our new members, MRL wishes to give you an opportunity to experience, first hand, the improvements we have implemented; when you choose to become a member, MRL will provide you a free 24hrUrine urinalysis test (excluding kit cost), the same test taught by Dr. Loomis. We want you to be able to utilize our complete line of services. MRL looks forward to being your preferred laboratory as well as providing you and your clients with effective screening tools. Additionally, MRL offers preventive health services through Chief Labs. Contact us for details on how you can offer your clients the Loomis Blood testing.

All the best,
Michael E. Martin II, AS, BST, BA, LDHS, CTT, MBA, BSN-RN, MSN-FNP-C
Lab Manager

MRL Membership & Terms of Service

MRL requires a valid credit card on file at all times. Please fill out the following credit card authorization form. Please note: If the credit card is rejected for any reason, more than two times, a \$50.00 processing fee will apply.

Practitioner's Information:
